

# ALUMINIUM MUDGUARDS

BEVOLA once again expands its aluminium mudguard programme.

This rolled, cheker-plated mudguard is the newest member of the family.

- The mudguards stand out with a radius of 650mm compared to the traditional mudguards
- Fitted edges
- 650mm radius
- Standardised design

Art. No.	Length (mm)	Height (mm)	Depth (mm)
698290	1400	650	650
698291 (Boggie)	2700	650	650
698292 (Triple)	4000	650	650
