

Aluminium mudguard

BEVOLA once again expands its aluminium mudguard programme.

This rolled, checker-plated mudguard is the newest member of the family.

- The mudguards stand out with a radius of 650mm compared to the traditional mudguards
- Fitted edges
- 650mm radius
- Standardised design

Art. No.	Length (mm)	Height (mm)	Depth (MM)	Note
698290	1400	650	650	
698291	2700	650	650	Boggie
698292	4000	650	650	Tripple
