For IVECO

Since the company was founded in 1968, BEVOLA has strived to supply quality products for HGVs, drawbar trailers and semi-trailers. Apart from our global procurement concept that now extends to over 6,500 item numbers, BEVOLA has its own R&D and production of a range of products and solutions for mounting on HGVs on the Nordic markets.

The products and solutions BEVOLA is renowned for include:

- BevoBox™ – high quality toolboxes in a huge range of variations
- BevoGrip™ – sand spreader, specially developed for the Nordic market
- BevoPlan™ – the perfect concept for better utilisation of the load bed
- BevoNac™ – a strong axle concept designed to ensure longer life, less maintenance and stable ride
