

Side guard covers

Panels in pressed polished stainless steel that match our BevoBox toolboxes. Eye-catching, functional covers for side guards. Help protect objects behind.

Made of 1.5 mm bright annealed stainless steel, resistant to road salt and aggressive cleaning products.

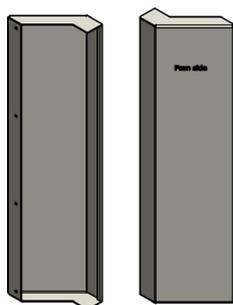

Calculated according to ECE 73.

- Gives a uniform surface along the truck or trailer side
- Can be mounted onto existing 30 mm side guards
- Provide extra protection for such items as battery boxes, air driers, fuel filters etc.

Side guard covers

Art. No.	Length (mm)	Height (mm)
591030	500	600
591031	1000	600
591032	2500	600
591034	500	700
591035	1000	700
591036	2500	700

Front piece
